

Chef's choice tasting menus, expanded

Five-Course Tasting menu offered weeknights and weekends after 8pm

We are expanding the wine flights we offer with our "Chef's Choice Tasting Menus". Each week, we will pick a very special group of wines to accompany a five-course tasting menu. We hope this will allow even more of you to be able share our wine pairing experience!

Natural Wine at Logan

Over the past year we are sourcing more and more wines that come from organic and biodynamic vineyards. Along with that, we also seek producers that avoid excessive intervention in the cellar. Wines such as these possess the purest flavors and aromas, and you deserve nothing less. For the record, we appreciate the ecological value of sustainable agriculture, but we are moving in this direction because they work the best with Chef Thad's cuisine...

Fresh Key lime and ginger juices mixed with gin, served on the rocks with a twist of lime.	
Limelight	8
Chilled white tequila, scented with lime.
